## PERSONAL STATEMENT

Highly detail-oriented and organized self-starter who works well independently as well as working as a team with others to get the job done to the satisfaction of the client.

## WORK EXPERIENCE

### *Associate Care Aide*

**The Village Of Seven Oaks - March 2016 – 2020**

*Responsibilities:*

- Worked with the resident who has memory loss, injury, stroke, dementia.
- Helped the resident to reign what it lose to them. Making sure the room has enough supply for the residents needs.
- Cared for them to be independent again, and teach them to go to the bathroom with supervision.
- Assisted residents are incontinent, shower, dressing, and vital signs.
- Worked both sides Assisted Living and Memory Care.
- Reported any changes of condition to the Nurse who is in charge.
- Responsible for Resident Medications, Responsible for updating Resident Status.

### *Care Aide*

**ABC Corporation - 2014 – 2016**

*Responsibilities:*

- I had a permanent dayshift line at Pine Grove, and I was responsible for providing full care for 8 residents.
- Full care included assistance with personal washing & bathing, oral hygiene, dressing, administering of suppositories or enemas for bowel care, positive & friendly interaction, safety of the resident, toileting, transfers with mechanical lifts, and meal assist.
- Also, I was responsible for maintaining a harmonious relationship with my co-workers on the floor.
- This was ensured by consistent communication and the willingness to lend a helping hand.
- I strived to create an environment where the residents would feel dignified, stimulated, well cared for, and safe.
- Skills Used Successfully communicated with residents and nursing staff; showed empathy and understanding of the residents emotional and physical needs; created a pleasant atmosphere through conversation and humour; and worked well with the other care staff.
