ROBERT SMITH

Chemical Technician I

info@qwikresume.com | LinkedIn Profile | Qwikresume.com

Self-start Quality Assurance Technician professional with extensive experiences in conduct chemical and physical laboratory tests to assist scientists in making qualitative and quantitative analyses of solids, liquids, and gaseous materials for research and development of new products or processes, quality control, maintenance of environmental standards, and other work involving experimental, theoretical, or practical application of chemistry and related sciences.

EXPERIENCE

Chemical Technician I

Nucor Steel Gallatin - SEPTEMBER 2014 – 2019

- Monitor product quality to ensure compliance with standards and specifications.
- Compile and interpret results of tests and analyses.
- Set up and conduct chemical experiments, tests, and analyses, using techniques such as chromatography, spectroscopy, physical or chemical separation techniques, or microscopy.
- Prepare chemical solutions for products or processes, following standardized formulas, or create experimental formulas.
- Maintain, clean, or sterilize laboratory instruments or equipment.
- Makes order of inventory materials to maintain supplies.
- Conduct chemical or physical laboratory tests to assist scientists in making qualitative or quantitative analyses of solids, liquids, or gaseous materials.

Chemical Technician

ABC Corporation - 2009 – 2014

- Tend paint-mixing machines that mix paint, lacquer, and stain Attaches powered mixer to barrels of unmixed paint and starts mixer to stir paint for specified time to obtain specified consistency.
- Compute amounts and weights of paint, lacquer, solvent, or thinner required from standard formula, and pours specified amounts into mixing machine.
- Start mixer and allows it to run for prescribed time to attain specified viscosity and color.
- Measure viscosity, using viscometer and stop watch.
- Pump paint from central pumping station to spray booths.
- Filter paint or pyroxylin to remove impurities.
- Maintain records of paint issued and inventory of supplies on hand..
