PERSONAL STATEMENT

Looking for a Night Kitchen Manager position witch provides great benefits, opportunity for growth, and advancement thru job experience and training.

WORK EXPERIENCE

Night Kitchen Manager

ABC Corporation - January 2001 – March 2005

Responsibilities:

- Identified new opportunities for revenue growth.
- Created innovative, unique events that meet guest needs and expectations.
- Planned, executed and managed all aspects of an event from start to finish.
- Developed creative marketing plans to increase attendance and increase profit per attendee.
- Managed budgets for monthly events.
- Able to work effectively with other departments within the company.
- Worked well under pressure.

Night Kitchen Manager

Delta Corporation - 1998 – 2001

Responsibilities:

- Created and maintained operational hours for all venues including hours of operation and staffing limitations.
- Trained staff to ensure they are properly prepared to handle guest issues.
- Managed budgets by forecasting revenue, expenses and staffing needs.
- Developed detailed schedules for all hotels in the resort property with daily operations planned out in detail.
- Maintained high standards of cleanliness in all venues to make sure guests have a great time.
- Understood capital projects so that they can be integrated into the budgeting process.
- Managed legal documents such as leases with property management companies.
