ACHIEVEMENTS

- Successfully led a platoon during a training exercise, achieving 100% mission success.
- Implemented a new training program that improved soldier readiness scores by 20%.

PROFESSIONAL SUMMARY

Ambitious and disciplined military officer with two years of experience in leadership and logistics management. Proven track record in enhancing operational readiness and personnel development. Committed to leveraging my skills as a Second Lieutenant to drive mission success and foster a cohesive team environment.

WORK EXPERIENCE

- Second Lieutenant
WidgetWorks Inc. Jun / 2024-Ongoing Denver, CO
- Conducted monthly performance evaluations and counseling sessions for soldiers, enhancing their professional development.
 - Maintained comprehensive medical, training, and administrative records for all platoon members.
 - Managed over \$1.3 million in equipment inventory, ensuring readiness for deployment.
 - Developed and executed training drills for a transportation platoon, improving operational efficiency during weekend exercises.
 - Prepared and submitted detailed situational reports to higher command on a daily, weekly, and monthly basis.
 - Oversaw logistical operations and supply chain management using advanced tracking systems.
 - Fostered a positive team environment through effective communication and leadership strategies.

- 2nd Lieutenant
Cactus Creek Solutions Jun / 2023-Jun / 2024 Phoenix, AZ
- Transitioned from enlisted Soldier to Commissioned Officer in the Quartermaster Corps, demonstrating adaptability and leadership.
 - Achieved 3rd place in the 2015 48th Brigade Soldier of the Year competition, showcasing competitive excellence.
 - Recognized for exceptional tactical knowledge and physical fitness by peers and superiors.
 - Served as Platoon Leader for 40 soldiers, conducting training for deployment in Operation Iraqi Freedom.
 - Prepared and delivered comprehensive reports to higher headquarters, enhancing operational transparency.
 - Utilized Property Book Unit Supply Enhanced (PBUSE) for efficient supply chain management.

EDUCATION

Bachelor of Science in Military Science
United States Military Academy Jun / 2022-Jun / 2023 Phoenix, AZ

Studied military leadership, tactics, and logistics management.
