WORK EXPERIENCE

5th Grade Teacher

Imagine Cortez Park, Imagine Schools - August 2015 - May 2018

- Collaborated with 5th-grade team to create a highly successful departmentalized instructional model for our students and an effective daily targeted intervention block for all 5th-grade students.
- Teamed with school leadership to reorganize child find the process and meet non-compliance audit findings. Created and facilitated presentation for all staff about child find process and laws.
- Made connections with students from diverse cultural and economic backgrounds.
- Taught after-school math achievers class for students struggling with math, providing students with hands-on opportunities to explore real-world problems.
- Instructed 5th grade class of 25 students in reading, writing, math, and social studies.
- Collaborate and build rapport with the support team, administrators, and parents.
- Analyze data to monitor students progress and drive instruction using iReady, discovery, reading running records.

Assistant Principal

Tombstone Unified School District - January 2014 - July 2015

- Responsibilities included supervision of 29 certified teachers, 12 para-professionals, 4 custodial staff, and 3 office staff.
- Student discipline, analysis of student data, attending IEP meetings, and facilitating ongoing professional development for staff.
- Supervision of sporting events, after-school activities, and bus dismissal.
- Taught an elective class for the 7th and 8th grade so teachers could have a common planning period.
- Mentored beginning teachers and interns to increase retention rate by 10%.
- Increased student attendance each year by 5% through development and implementation of innovative strategies.
- Developed and a successful after-school program increasing high school credit recovery by 30%.
