PROFESSIONAL SUMMARY

Dedicated Airframe Mechanic with 2 years of focused experience in aircraft maintenance and repair. Skilled in troubleshooting, structural modifications, and ensuring compliance with FAA standards. Committed to delivering high-quality work and fostering a safe environment. My goal is to leverage my technical expertise and hands-on abilities to support aviation operations effectively.

WORK EXPERIENCE

Airframe Mechanic

Pineapple Enterprises

Mar / 2024-Ongoing

Santa Monica, CA

1. Conducted airframe repairs and modifications, addressing structural damage and maintaining compliance with FAA standards.

2. Collaborated closely with inspectors to ensure all maintenance work met regulatory requirements.

3. Assisted in scheduled and unscheduled maintenance inspections, including Phase A&B and MRCs.

4. Troubleshoot and repaired hydraulic systems following operational manuals.

5. Removed, replaced, and repaired hydraulic components, ensuring optimal system performance.

6. Supported lead mechanics in repairing structural and composite damages.

7. Documented maintenance actions and procedures for accurate record-keeping.

Airframe Mechanic

Silver Lake Enterprises

Mar / 2023-Mar / 2024

Seattle, WA

1. Performed structural repairs and modifications on various aircraft types.

2. Inspected and maintained airframes to ensure operational readiness and safety.

3. Conducted thorough inspections on Gulfstream and Astra aircraft.

4. Emphasized safety in all maintenance operations within a team-oriented environment.

5. Collaborated with other mechanic shops to facilitate efficient repairs and maintenance.

6. Executed troubleshooting and repairs on hydraulic systems, including landing gear and flight control systems.

EDUCATION

Associate of Applied Science in Aviation Maintenance

Purdue University

Mar / 2022-Mar / 2023

Chicago, IL

Acquired comprehensive knowledge of aircraft systems, maintenance practices, and regulatory compliance.

SKILLS

Aircraft Assembly	Structural Repair	Sheet Metal Fabrication	Hydraulic Systems
