info@qwikresume.com | <https://Qwikresume.com>

Attain Management within 2 years, Provide for a future Family, and Lead my company into the next great phase. Flexible and analytical with a keen eye for details; skilled at synthesizing and editing information to achieve overall objectives.

FEBRUARY 2010 - MARCH 2015

ANIMAL CARE ATTENDANT II - ABC CORPORATION

- Compassionate and focused on providing the best animal care possible.
- Developed humane training solutions to address animal behavior problems.
- Conducted physical exams and other routine health care procedures.
- Trained and knowledgeable in animal breeds, using knowledge of breed characteristics, as well as the unique needs of each particular animal.
- Identified and reported signs of illness in cats and dogs.
- Restrained physically strong or aggressive dogs when needed.
- Worked with animals to resolve any behavior problems.

2005 - 2010

ANIMAL CARE ATTENDANT - ABC CORPORATION

- Clean kennels, adoption tours, medicating animals, processing incoming dogs, microchipping, vaccinations, blood draws, and other cleaning duties.
- I made sure that my job was done properly.
- It was common for the shelter animals to get sick and I helped make sure that everything was clean and better than when I left it.
- Skills Used Vet technician skills- microchipping, vaccinations, blood draws, stitch removal, animal restraining.
- People skills- able to speak to large groups, enthusiastic Sales skills- great at making adoptions and recommending products.
- Team work- This was a high risk job and required teamwork with coworkers.
- You must trust that your coworkers will keep you from getting bitten..
