PROFESSIONAL SUMMARY

Motivated Application Developer with 2 years of experience in crafting robust web applications using ASP.NET, C#, and modern frontend technologies. Adept at collaborating with teams to translate requirements into functional software solutions. Committed to optimizing user experiences and enhancing application performance through innovative problem-solving.

WORK EXPERIENCE

Application Developer
Pineapple Enterprises

📅 May / 2024-Ongoing
📍 Santa Monica, CA

1. Designed and developed web applications using ASP.NET MVC, ensuring adherence to coding standards and best practices.
2. Collaborated with cross-functional teams to gather requirements and implement software solutions that meet business needs.
3. Enhanced application performance by optimizing SQL queries and implementing caching strategies.
4. Developed responsive user interfaces using HTML5, CSS3, and JavaScript frameworks such as AngularJS.
5. Conducted code reviews and provided mentorship to junior developers, fostering a culture of continuous improvement.
6. Utilized Agile methodologies to manage project timelines and deliverables effectively.
7. Participated in user acceptance testing and gathered feedback for iterative development.

Software Developer
Cactus Creek Solutions

📅 May / 2023-May / 2024
📍 Phoenix, AZ

1. Engaged in requirement analysis and prioritization using Agile methodologies to ensure timely project delivery.
2. Developed interactive GUI components using Telerik Kendo UI, enhancing user experience significantly.
3. Implemented MVC architecture in application development, improving code organization and maintainability.
4. Designed and normalized database schemas to optimize data retrieval and storage.
5. Created and consumed ASP.NET web services, facilitating seamless integration with other applications.
6. Employed SSIS for efficient data management and ETL processes in data warehousing projects.

EDUCATION

Bachelor of Science in Computer Science
University of California, Berkeley

📅 May / 2022-May / 2023
📍 Phoenix, AZ

Focused on software development, web technologies, and database management.

SKILLS

Java Development	React	Angular	Node.js

ACHIEVEMENTS

⭐ Developed a user-friendly web application that improved client engagement by 30%.

⭐ Implemented a new feature that reduced application load time by 25%.

⭐ Collaborated in a team to enhance application functionality, resulting in a 20% increase in user satisfaction.
