PROFESSIONAL SUMMARY

Dynamic Aquatics Manager with over 5 years of experience in overseeing aquatic facilities, ensuring safety, and enhancing guest experiences. Proven track record in staff training, program development, and budget management. Committed to promoting water safety and fostering a positive environment for both staff and patrons. Strong leadership skills with a focus on community engagement and operational excellence.

WORK EXPERIENCE

Aquatics Manager

📅 Mar / 2021-Ongoing

Pineapple Enterprises

📍 Santa Monica, CA

1. Supervised a team of five lifeguards at two aquatic facilities, serving approximately 300 patrons daily.
2. Regularly monitored and adjusted water chemistry to meet health standards and ensure patron safety.
3. Conducted weekly training sessions for 30 lifeguards, improving team performance and safety compliance.
4. Implemented the department's first web-based employee scheduling program, enhancing operational efficiency.
5. Assisted in preparing and monitoring the annual budget, ensuring financial accountability.
6. Developed community outreach initiatives to promote aquatic programs and increase participation.
7. Coordinated special events, enhancing community engagement and fostering a positive environment.

Aquatics Manager

📅 Mar / 2018-Mar / 2021

Summit Peak Industries

📍 Denver, CO

1. Scheduled and evaluated aquatic staff performance to ensure compliance with safety and operational standards.
2. Maintained positive public relations with patrons, addressing concerns and promoting facility usage.
3. Coached youth teams for aquatic events, fostering skill development and sportsmanship.
4. Managed pool water quality and chemicals, performing necessary adjustments to comply with health standards.
5. Oversaw daily operations of swimming pool activities, ensuring smooth execution and safety.
6. Initiated cleaning and maintenance protocols for pool and facilities, enhancing overall cleanliness.

EDUCATION

Bachelor of Science in Recreation Management

📅 Mar / 2015 - Mar / 2018

State University

📍 Portland, OR

Focused on aquatic management, facility operations, and community recreation programming.
