PROFESSIONAL SUMMARY

Results-focused Industrial Design Assistant with 2 years of experience in product development and design support. Skilled in creating detailed designs, collaborating with teams, and managing project timelines. Committed to delivering innovative solutions that enhance user experience and meet client specifications while driving design excellence.

WORK EXPERIENCE

Industrial Design Assistant

WidgetWorks Inc.

📅 Mar / 2024-Ongoing

📍 Denver, CO

- Created innovative kitchen and bath designs tailored to client specifications and budget.
- Specified and sourced materials, ensuring quality and compliance with project standards.
- Produced working drawings and renderings based on initial client concepts, enhancing clarity for stakeholders.
- Collaborated with vendors to ensure timely delivery of materials, adhering to budget constraints.
- Managed all phases of remodeling projects from design to installation, ensuring client satisfaction.
- Maintained clear communication with clients to manage expectations throughout the design process.
- Provided showroom assistance to clients, showcasing product offerings and guiding design choices.

ASSISTANT DESIGNER

Silver Lake Enterprises

📅 Mar / 2023-Mar / 2024

📍 Seattle, WA

- Produced technical sketches and specifications for gear and accessories using webPDM software.
- Conducted seasonal trend research to inform design decisions and product development.
- Organized and maintained sample libraries, streamlining access for the design team.
- Coordinated meetings with vendors to discuss project requirements and updates on special components.
- Assisted lead designer in developing color palettes and concepts for seasonal categories.
- Supported the setup of seasonal showrooms and meetings, enhancing team collaboration.

EDUCATION

Bachelor of Science in Industrial Design

University of Design

📅 Mar / 2022-Mar / 2023

📍 Denver, CO

Focused on user-centered design principles, prototyping, and sustainable design practices.
