PROFESSIONAL SUMMARY

Driven Assistant Driller with two years of practical experience in drilling operations and equipment management. Proficient in monitoring drilling parameters, maintaining safety protocols, and optimizing rig performance. Eager to contribute to team success by ensuring efficient operations and a safe work environment on-site.

WORK EXPERIENCE

Assistant Driller
Pineapple Enterprises
📅 Apr / 2024 - Ongoing
📍 Santa Monica, CA

- Verify all well control procedures are understood and adhered to during operations.
- Monitor and record drilling fluid properties, ensuring optimal performance.
- Supervise rig floor activities, including BHA assembly and cement tool operations.
- Conduct routine maintenance and troubleshooting on pumps and solid control equipment.
- Assist with BOP inspection and maintenance to maintain operational readiness.
- Track fluid properties and flow rates to support well control on floating vessels.
- Engage in daily safety meetings and training to enhance team safety awareness.

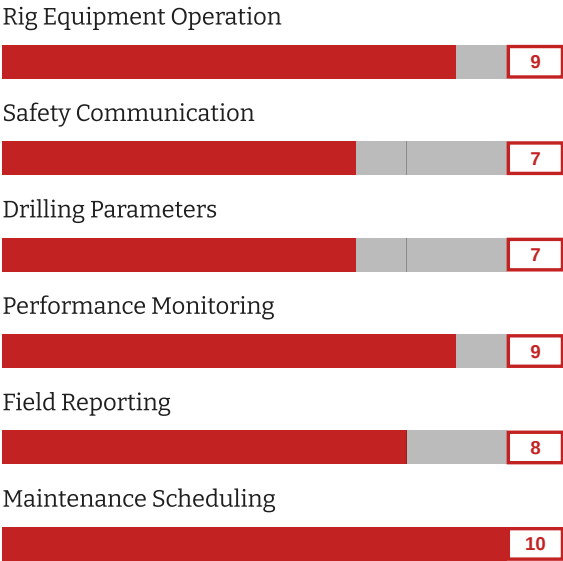

Assistant Driller
Silver Lake Enterprises
📅 Apr / 2023 - Apr / 2024
📍 Seattle, WA

- Facilitate daily pre-tour and pre-job safety meetings to promote operational readiness.
- Execute well completion operations, including tubing installation and retrieval.
- Assist in preventive maintenance and inspections of drilling equipment.
- Perform technical well control calculations to ensure safe operations.
- Monitor solid control equipment during drilling and mud mixing activities.
- Rig up and down various drilling components, including BOP and mud pumps.

EDUCATION

Associate of Applied Science in Petroleum Technology
Texas A&M University
📅 Apr / 2022 - Apr / 2023
📍 Santa Monica, CA
Studied drilling techniques, safety protocols, and equipment management.
