## SKILLS

## INTERESTS

- 📖 Birdwatching 🧳 Traveling
- 🏋️ Sports Coaching 🧶 Knitting

## STRENGTHS

🔧 Pragmatism

🍃 Sensitivity

💖 Sincerity

⚓ Stability

## LANGUAGES

## ACHIEVEMENTS

- 🌟 Created over 50 detailed technical drawings, enhancing project clarity and execution.
- 🌟 Streamlined coordination processes, reducing project turnaround time by 15%.

## PROFESSIONAL SUMMARY

Motivated AutoCAD Designer with two years of experience specializing in the creation of detailed drawings for diverse projects. Proficient in utilizing AutoCAD to transform conceptual designs into precise technical documentation. Eager to apply my collaborative skills and commitment to excellence in a fast-paced design environment.

## WORK EXPERIENCE

Entry-Level AutoCAD Designer

📅 Apr / 2024-Ongoing

📍 Chicago, IL

Blue Sky Innovations

- Developed construction documents from initial sketches, ensuring accuracy and compliance with client specifications.
- Collaborated with architects and project managers to revise and finalize design plans, enhancing project outcomes.
- Maintained and organized AutoCAD files, ensuring efficient access to drawing references.
- Negotiated project requirements and costs with engineers and clients, fostering transparent communication.
- Reviewed and approved plans prior to submission for compliance checks.
- Executed design modifications based on client feedback and project needs.
- Participated in project meetings to discuss design strategies and updates.

AUTOCAD DESIGNER

📅 Apr / 2023-Apr / 2024

📍 Denver, CO

Summit Peak Industries

- Designed detailed layouts for fire alarm systems in commercial settings, ensuring adherence to safety standards.
- Managed procurement processes through SAP, optimizing resource allocation.
- Conducted site inspections to verify installation accuracy against design specifications.
- Utilized software tools including Photoshop and Microsoft Office to enhance project presentations.
- Collaborated with team members to identify cost-saving measures during project execution.
- Streamlined the filing system for design documents, enhancing accessibility for team members.

## EDUCATION

Associate of Applied Science in Drafting Technology

📅 Apr / 2022

📅 Apr / 2023

Riverside Community College

📍 Phoenix, AZ

Focused on technical drawing, CAD software applications, and design principles.
