

MASON WILSON

Automation Architect

✉ support@qwikresume.com ☎ (123) 456 7899 📍 Los Angeles 🌐 www.qwikresume.com

PROFESSIONAL SUMMARY

Innovative Automation Architect with over 10 years of experience in designing and implementing advanced automation solutions. Expertise in optimizing processes and enhancing system performance across diverse environments.

WORK EXPERIENCE

Automation Architect

WidgetWorks Inc.

📅 Jan / 2018-Ongoing

📍 Denver, CO

1. Collaborated with cross-functional teams to design and implement automation frameworks, enhancing testing efficiency.
2. Led the development of CI/CD pipelines, streamlining deployment processes and reducing time to market.
3. Utilized Agile methodologies to manage project timelines and deliverables effectively.
4. Conducted performance testing and optimization, ensuring system reliability and scalability.
5. Developed and maintained automated test scripts using Java and Cucumber frameworks.
6. Monitored test results and analyzed discrepancies to drive continuous improvement.
7. Provided training and mentorship to junior team members on automation best practices.

Automation Architect

Crescent Moon Design

📅 Jan / 2015-Jan / 2018

📍 Portland, OR

1. Designed and implemented robust automation solutions for web and backend applications.
2. Engaged with stakeholders to gather requirements and ensure alignment with business objectives.
3. Facilitated defect triage meetings to prioritize and address critical issues.
4. Enhanced existing automation frameworks to support new product features and functionalities.
5. Conducted risk assessments and communicated findings to senior management.

EDUCATION

Master of Science in Computer Science

Stanford University

📅 Jan / 2012-Jan / 2015

📍 Phoenix, AZ

Focused on software engineering and automation technologies.
