## Automotive Assembler

### SUMMARY

An Automotive Assembler, with 15 years of experience at General Motors Truck Group Moraine Assembly with experience in assembling SUV trucks, performed tasks using hand tools, power tools, welding equipment, and production fixtures. Acquired the knowledge and expertise to successfully use and operate factory equipment, such as forklift and flatbed trucks. Identified, inspected, and repaired damages made to the exterior portion of the vehicle after assembly and prior to distribution to dealerships in the United States and Overseas.

### SKILLS

Team Work, Assembling Skills, Interpersonal Skills.

### WORK EXPERIENCE

#### Automotive Assembler

ABC Corporation - February 2015 - May 2020

- Produced components by assembling parts and subassemblies.
- Prepared work to be accomplished by studying assembly instructions, blueprint specifications, and parts lists; gathering parts, subassemblies, tools, and materials.
- Positioned parts and subassemblies by using templates or reading measurements are also part of my responsibilities as an automotive assembler.
- Able to assemble parts in a timely fashion making sure to pay attention to detail of each part before sending it to the customer.
- Used and demonstrated were teamwork and leadership.
- Demonstrated Lean Thinking skills that allowed me to make my team and I work in more proficient in our production area.
- Performed assembly tasks for completion of front and rear seats for Chrysler vehicles.
