Objective

Backroom Stocker is first and foremost responsible for guest relations and satisfaction. A night stocker performs shelf stocking and back-room duties. Tasks may also include spill cleanup, general housekeeping and other duties as assigned by management.

Skills

Phone Support, Microsoft Office Suite, Hardware.

Work Experience

Backroom Stocker

Sears Corp - November 2014 - 2020

- Served as a Backroom Associate/Material Handler operating electric, gasoline, or diesel powered forklift trucks.
- Supported store management in developing a high performance team by assisting in scheduling and supervision of Backroom Associates, as well as training and coaching on backroom processes and standards. Ensures that all Backroom Associates use proper merchandise handling and safety equipment and adhere to safety requirements.
- Acted as a role model and personally contributes to attainment of department goals.
- Adhered to merchandise and inventory protection standards.
- Able to safely operate a forklift over wood, concrete, or similar type floors, through narrow aisles in buildings/ warehouse facilities as well as occasionally outside over rough surfaces, spotting conveyances at proper loading locations. Performs routine changes in stock location as necessary.
- Assembled stock according to type and/or designated area.
- Responsible for stock as it is received, checked, assembled, and internally transferred to another area.

Backroom Stocker

Delta Corporation - 2011 - 2014

- Took care of the batches and orders as well as bringing the products.
- Effectively processed merchandise in a high pressure, time-sensitive environment.
- Provided exceptional service to consumers on the salesfloor.
- Learned new equipment quickly and used it effectively.
- Operated effectively and punctually during overnight hours.
- Helped prepare the store for early mornings.
- Developing a high-performance team by assisting in scheduling and supervision of Backroom Associates.
