

ROBERT SMITH

Batch Maker II

info@qwikresume.com | [LinkedIn Profile](#) | [Qwikresume.com](#)

Seeking a position in an environment that will challenge further; while allowing to contribute to the growth and success of this organization. Looking forward to working with a company that promotes quality products and services, and provides the opportunity to meet and exceed assigned goals.

EXPERIENCE

Batch Maker II

ABC Corporation - NOVEMBER 2003 - FEBRUARY 2005

- Read formulas directions to determine product type, ingredients needed, and any special procedures required.
- Started equipment to feed raw materials automatically or incorporating pre-weighed ingredients into mixing tanks, and heating vessels.
- Controlled machinery to create changes of reactions in chemicals during the processing of raw materials into industrial or consumer products.
- Drew samples of the product at specific stages.
- Monitored recording instruments, panel lights, and other indicators, and listened for warning signals to verify the conformity of the process.
- Kept control by instrument readings and test results, and checked quality control of each product.
- Operated forklift, electric pallet jack, pallet jack, and cherry picker.
