Bather

ABC Corporation - 2004 - 2005

Responsibilities:

- My responsibilities at this job were to bathe, and groom every dog that was on my schedule to bathe, and to insure that each dog left with the petparent satisfied with the groom.
- Also checked customers in and out, made appointments, and put new customers in to our system.
- At this job I really got to realise how quick I can actually work and how much I can accomplish in a short amount of time.
- Learned how to work efficiently and still produce quality work.
- Skills Used I definitely had to use a lot of my communication skills.
- Also had to use a bit of muscle when it came to picking up and handling larger dogs.
- It is imperative to have a positive attitude throughout the duration of your shift to ensure that everyone is happy and that everything runs smoothly throughout the day..
