## Behavior Analyst

✉ support@qwikresume.com ☎ (123) 456 7899 📍 Los Angeles 🌐 www.qwikresume.com

## PROFESSIONAL SUMMARY

Skilled Behavior Analyst with over 5 years of experience in delivering evidence-based interventions tailored to individual needs. Expertise in conducting comprehensive assessments, creating actionable behavior plans, and collaborating with families and professionals to drive positive outcomes. Passionate about enhancing clients' lives and fostering effective behavioral change in diverse settings.

## WORK EXPERIENCE

### Behavior Analyst

📅 Apr / 2021-Ongoing

Blue Sky Innovations

📍 Chicago, IL

1. Deliver behavior analytic services for children and adults in group homes, in-home programs, and independent living skills settings, ensuring individualized programming.
2. Design and implement schedules of reinforcement tailored to each client's unique needs.
3. Conduct regular staff overlaps to maintain consistency and quality of care across environments.
4. Collaborate with school districts to support children receiving services, ensuring integration of therapeutic strategies.
5. Develop and lead autism training programs, enhancing staff competencies in behavioral interventions.
6. Instruct monthly classes on professional intervention techniques, promoting best practices in behavior analysis.
7. Perform functional behavior assessments and identify appropriate interventions across diverse behavioral challenges.

### Practicum Intern

📅 Apr / 2020-Apr / 2021

Silver Lake Enterprises

📍 Seattle, WA

1. Updated evaluations and diagnoses by conducting parent interviews and assessments to determine current functioning.
2. Facilitated parent feedback meetings to discuss evaluation outcomes and address any concerns.
3. Engaged in ongoing supervision for therapy, ensuring adherence to treatment protocols.
4. Led play therapy sessions, creating a safe space for emotional expression and coping skill development.
5. Co-developed and facilitated a social skills group using a DIR model, enhancing social interaction skills among participants.
