🌟 ACHIEVEMENTS

🌟 Achieved a 25% reduction in fuel wastage through effective inventory management and tracking.

🌟 Implemented a safety training program that improved compliance rates by 30% over one year.

👤 PROFESSIONAL SUMMARY

With a decade of expertise in fuel distribution and logistics, I excel in managing bulk fuel operations while ensuring stringent safety compliance. My leadership in optimizing distribution processes and mentoring teams has consistently enhanced operational efficiency, delivering superior service in dynamic environments.

💼 WORK EXPERIENCE

Fuel Distribution Specialist

📅 Mar / 2018-Ongoing

Pineapple Enterprises

📍 Santa Monica, CA

1. Installed, operated, and maintained fuel handling units, ensuring optimal performance and safety.
2. Conducted quality evaluations of petroleum products for amphibious assault fuel handling systems.
3. Mentored and supervised a team of 15 Marines, managing training programs for over 70 personnel.
4. Prioritized and scheduled workload for critical projects, ensuring timely completion of tasks.
5. Delivered classroom and on-the-job training for up to 30 personnel using effective instructional methods.
6. Provided performance evaluations and counseling to team members to enhance productivity.
7. Diagnosed operational issues and communicated solutions to all levels of personnel.

Bulk Fuel Specialist

📅 Mar / 2015-Mar / 2018

Cactus Creek Solutions

📍 Phoenix, AZ

1. Supervised 12 military personnel in aircraft fueling operations, enhancing efficiency and safety.
2. Developed tracking methods to maintain accountability of petroleum products valued over \$6 million.
3. Conducted safety inspections, ensuring compliance with protocols for fuel processing and distribution.
4. Organized monthly training for team members to uphold service quality standards.
5. Managed the timely dispersal and storage of petroleum products to meet operational demands.
6. Maintained accurate records of fuel inventory and trained Marines on operational procedures.

🎓 EDUCATION

Associate of Science in Fuel Management

📅 Mar / 2012-Mar / 2015

Central Community College

📍 Seattle, WA

Specialized in fuel management principles and practices.
