## 👤 PROFESSIONAL SUMMARY

As a Cancer Registrar with 10 years of experience, I have honed my skills in comprehensive data abstraction and management, ensuring compliance with national standards. My commitment to quality improvement and collaboration within healthcare teams enhances patient outcomes through accurate data reporting and analysis.

## 🖥 WORK EXPERIENCE

### Cancer Registrar
📅 Feb / 2019-Ongoing

**Quantum Solutions LLC**
📍 Phoenix, AZ

1. Enhanced cancer patient care through a robust follow-up system, tracking quality of life and survival data.
2. Developed a comprehensive index of statistical data accessible to medical staff and registry use.
3. Ensured compliance with hospital policies, Cancer Life Program procedures, and American College of Surgeons guidelines.
4. Participated in annual state and national meetings, completing required educational training to stay current on data reporting standards.
5. Abstracted core data on malignant diseases diagnosed or treated, maintaining high accuracy.
6. Monitored compliance with CoC standards, ensuring timely data submissions.
7. Compiled and disseminated registry data to stakeholders for improved patient management.

### Cancer Registrar
📅 Feb / 2015-Feb / 2019
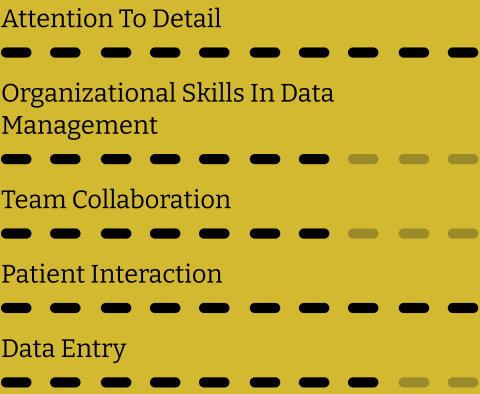

**Summit Peak Industries**
📍 Denver, CO

1. Performed data entry for client records, creating reports using Access databases for committee review.
2. Managed death clearance processes for cancer patients in the Mississippi Cancer Registry.
3. Abstracted and coded cases, making necessary corrections based on visual data reviews.
4. Maintained comprehensive medical records, ensuring accurate data retention.
5. Identified reportable cancer cases, abstracting documentation as approved by the Cancer Committee.

## 🎓 EDUCATION

### Bachelor of Science in Health Information Management
📅 Feb / 2012 - Feb / 2015

**University of Health Sciences**
📍 Phoenix, AZ

Focused on health data management, coding, and compliance with healthcare regulations.
