

ROBERT SMITH

Cell Technician

info@qwikresume.com | [LinkedIn Profile](#) | [Qwikresume.com](#)

More than 9 years of experience providing technical support in the Telecommunications and Electronics industry. Seeking an opportunity to use my technical skills and work experience to benefit your company and assist in achieving critical goals.

EXPERIENCE

Cell Technician

Verizon Wireless - JANUARY 2010 - 2011

- Responsible for the proper operation of a large group of Network Elements and performed tasks under little supervision, including the deployment of EBH and LTE network.
- Maintained the fiber optic and DAS network along with over 100 microcells.
- Maintained and repaired all base station equipment and transmitters.
- Maintained site and test equipment inventories.
- Proficient with the Remedy ticketing system.
- Performed routine building and grounds maintenance and inspections.
- Integrated Network hardware and interconnect facilities.

Cell Technician

Delta Corporation - 2018 - 2020

- Performed preventative maintenance on batteries, DC power plants, and telecommunication equipment. Supported tower crews with troubleshooting issues.
- Assisted other cell technicians and departments within Verizon Wireless as needed.
- Maintained a physical inventory of parts and tools. Set-up and operate various machines to manufacture drive shafts and steering components for most major automakers.
- Responsible for all quality checks.
- Performed other duties included ensuring system uptime, possible emergency generator deployment, troubleshooting site system performance issues.
- `#{job_description26}`
- `#{job_description27}`
