## PROFESSIONAL SUMMARY

Dedicated Cement Mason with five years of specialized experience in concrete construction and finishing. Proficient in using a variety of tools and machinery to ensure precise and durable results. Committed to executing projects with a focus on safety, quality, and efficiency, consistently exceeding industry standards.

## WORK EXPERIENCE

### Cement Mason

Jan / 2021-Ongoing

Maple Leaf Consulting

Toronto, ON

1. Constructed and finished concrete floors, sidewalks, roads, and curbs, ensuring high-quality results.
2. Utilized trowels, floats, and screeds to spread, level, and smooth concrete effectively.
3. Adapted to fast-paced work environments while managing physical demands, including kneeling and bending.
4. Mastered cement finishing techniques with proficiency in both power and hand tools.
5. Adjusted discharge chutes to direct concrete into forms accurately, enhancing workflow efficiency.
6. Collaborated with team members to ensure adherence to project timelines and specifications.
7. Maintained a clean and organized worksite, promoting safety and efficiency.

### Cement Mason

Jan / 2020-Jan / 2021

Summit Peak Industries

Denver, CO

1. Prepared sites for concrete pouring by arranging forms and ensuring proper alignment and stability.
2. Executed concrete repairs and maintenance for various structures, enhancing longevity and safety.
3. Specialized in concrete preparation for slabs, foundations, pools, and driveways, ensuring structural integrity.
4. Utilized interpersonal skills to communicate effectively with team members and clients.
5. Aligned forms for sidewalks and curbs, accurately patching voids and cutting expansion joints as needed.
6. Conducted thorough inspections of finished surfaces to ensure quality and compliance with standards.
