PROFESSIONAL SUMMARY

Accomplished Certified Registered Nurse Anesthetist with 10 years of extensive experience in providing high-quality anesthesia care in diverse surgical environments. Proven expertise in preoperative evaluations, anesthesia management, and postoperative patient monitoring, consistently ensuring optimal outcomes. Dedicated to advancing anesthesia practices and enhancing patient safety through collaborative care.

WORK EXPERIENCE

Perioperative Nurse Anesthetist

📅 Feb / 2018-Ongoing

📍 Santa Monica, CA

Seaside Innovations

1. Ensured patient stability pre, peri, and post-anesthesia through rigorous monitoring and intervention.
2. Conducted comprehensive preoperative evaluations, including detailed chart reviews and patient assessments.
3. Facilitated patient confidence and understanding through effective communication and education.
4. Organized and prepared the operating room, ensuring all necessary equipment and medications were available for procedures.
5. Performed diagnostic checks on anesthesia equipment to ensure readiness and safety.
6. Coordinated with multidisciplinary teams to maintain a safe surgical environment, addressing positioning and equipment needs.
7. Responded promptly to emergency situations, maintaining airway integrity and patient safety.

Certified Registered Nurse Anesthetist

📅 Feb / 2015-Feb / 2018

📍 Seattle, WA

Silver Lake Enterprises

1. Worked alongside 13 anesthesiologists and 19 full-time CRNAs in a collaborative team environment across 24 ORs.
2. Emphasized a medically directed approach, fostering teamwork and effective communication.
3. Maintained autonomy while managing ASA I - ASA IV patient acuity levels.
4. Executed all anesthesia techniques, including spinal, epidural, arterial lines, general anesthesia, MAC, and TIVA.
5. Handled a diverse range of surgical specialties, including orthopedics, general surgery, urology, ENT, pediatrics, and obstetrics.
6. Demonstrated versatility by deploying as a reservist for various surgical cases across multiple disciplines.

EDUCATION

Master of Science in Nursing

📅 Feb / 2012-Feb / 2015

📍 Portland, OR

University of Michigan

Specialized in Nurse Anesthesia, focusing on advanced anesthesia techniques and patient management.
