Objective

A CFO with 21+ years of experience with privately held companies. Specialize in leadership skills, management change and struggling financial situations. The objective is to participate with a company that requires my unique skill set and that I can be a substantial contributor to the advancement and goals of that company. Committed to continuous improvement in the quality and delivery of operational and financial management with professional development and training in business functions including management accounting, lean management / Six Sigma, and business planning. To gain an ever-growing foundation of the different accounting methods while staying true to GAAP. To become an asset to the company and help improve the present while working to ensure a successful future through hard work and innovate thinking.

Skills

Lean Six Sigma, Lean Enterprise, Multiple ERP Systems, Budgeting And Forecasting, Month-end Closing Process
