

# ROBERT SMITH

## Clinical Nurse Coordinator

[info@qwikresume.com](mailto:info@qwikresume.com) | [LinkedIn Profile](#) | [Qwikresume.com](#)

To further my career within a progressive medical organization using my practical experience and variety of skills and abilities to the fullest. Assisting the physicians in providing the best care possible, patient education, and to be a patient advocate.

## EXPERIENCE

### Clinical Nurse Coordinator

**ABC Corporation - DECEMBER 2010 - MARCH 2011**

- Work as Registered Nurse in Acute Care Clinic at United States Air Force Academy.
- Responsible for providing treatment of a wide range of medical conditions and disease processes across the lifespan.
- Coordinate patient care through a continuum and facilitate the achievement of optimal outcomes in relation to clinical care, quality and cost effectiveness.
- Accountable for making patient care assignments based on the scope of practice and skill level of assigned personnel.
- Responsible for demonstrating strong skills in operating and monitoring specialized medical equipment such as cardiac monitoring devices, EKG units, oxygen analyzers, nebulizers and other clinic specific equipment.
- Provide excellent communication skills for patient and family education and telephone triage of patients.
- Maintain heavy daily interaction with providers to ensure excellent care of patients.

### Clinical Nurse

**ABC Corporation - 2006 - 2010**

- Staff RN in an 18 Bed Unit ICU Experience with the recovery, stabilization, monitoring and care of post-operative surgical patients requiring time in an ICU, critically unstable patients transferred from other floors, direct admit of patients from the Cardiac Cath Lab, admissions from the ER and other area hospitals.
- Administration and titration of medically necessary IV medications for the ICU patient.
- Taking care of patients that are intubated or trached.
- Stabilization and care of a critical patient needing ICU care from the floor.
- Stabilization and care of post Cardiac Cath patients.
- Charge nurse with duties of patient bed placement, staffing assignments for the next shift, attended to patient/family needs.
- Work Experience Continued.
