PROFESSIONAL SUMMARY

Experienced Clinical Partner Advisor with 5 years dedicated to enhancing patient care and operational workflows in diverse healthcare settings. Proven track record of collaborating with multidisciplinary teams to improve healthcare outcomes. Committed to fostering a supportive environment that prioritizes patient needs while continuing to expand clinical expertise.

WORK EXPERIENCE

Clinical Partner Advisor

📅 Apr / 2021-Ongoing

Maple Leaf Consulting

📍 Toronto, ON

1. Provided comprehensive support in patient care, including hygiene assistance, mobility support, and nutritional needs.
2. Executed clinical tasks such as dressing changes, specimen collection, and vital signs monitoring with precision.
3. Prepared patients for discharge, ensuring they understood their care plans and follow-up requirements.
4. Educated new patients and families about unit protocols and available resources to enhance their experience.
5. Facilitated referrals to specialists, streamlining access to required medical services.
6. Delivered compassionate care to a diverse patient population, ensuring comfort and dignity at all times.
7. Maintained a safe work environment by adhering to all health and safety regulations.

Clinical Partner

📅 Apr / 2020-Apr / 2021

Silver Lake Enterprises

📍 Seattle, WA

1. Performed clinical duties in a hospital environment, ensuring high standards of patient care in a fast-paced setting.
2. Assisted patients with activities of daily living (ADLs), including mobility and personal hygiene.
3. Monitored and recorded vital signs, providing timely updates to nursing staff.
4. Collaborated with healthcare providers to prepare patients for surgical procedures, ensuring thorough pre-operative care.
5. Executed post-operative care, including monitoring recovery and managing patient comfort.
6. Supported nurses in advanced procedures, including wound care and patient education on recovery protocols.

EDUCATION

Associate of Science in Nursing

📅 Apr / 2019-Apr / 2020

Springfield College

📍 Phoenix, AZ

Focused on patient care practices, clinical skills, and healthcare ethics.
