### PROFESSIONAL SUMMARY

Skilled CNC Lathe Operator with 5 years of hands-on experience in precision machining and optimization of production processes. Proficient in programming, setup, and operation of CNC lathes, ensuring adherence to specifications and quality standards. Eager to leverage expertise to enhance operational efficiency and contribute to high-quality manufacturing outcomes.

### WORK EXPERIENCE

**CNC Lathe Operator** Feb / 2021-Ongoing  
WidgetWorks Inc. Denver, CO

- Calculated machine speed and feed ratios, ensuring optimal performance.
- Perform tool changes and offsets as required.
- Measured dimensions of finished workpieces using precision instruments to confirm specifications.
- Mounted, aligned, and secured tools and fixtures on machines with precision tools.
- Lifted workpieces to machines using hoists or cranes for safety and efficiency.
- Modified cutting programs based on operational challenges to enhance productivity.
- Stacked finished items or placed them on conveyor systems for streamlined processing.

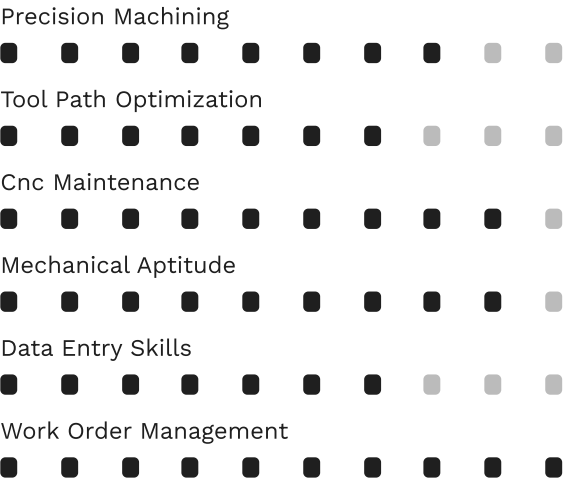

**CNC Lathe Operator** Feb / 2020-Feb / 2021  
Lakeside Apparel Co Chicago, IL

- Set up and operated CNC Lathes, including Swiss Turn models.
- Interpreted blueprints and technical drawings to manufacture components to precise tolerances.
- Optimized operations to enhance productivity and reduce waste.
- Changed and set tooling, ensuring compatibility with production requirements.
- Performed offsets to maintain stringent tolerances throughout production.
- Conducted thorough inspections and documented results meticulously.

### EDUCATION

**Associate of Applied Science in CNC Technology** Feb / 2019 Feb / 2020  
Technical College of America Toronto, ON  
Focused on CNC machining principles, programming, and operational techniques.
