👤 PROFESSIONAL SUMMARY

Skilled Frame Technician with five years of experience in automotive frame repair and restoration. Adept at utilizing advanced tools and techniques to ensure vehicles meet safety standards and manufacturer specifications. Committed to delivering high-quality workmanship while fostering a collaborative environment to enhance customer satisfaction.

💼 WORK EXPERIENCE

Frame Technician 📅 Apr / 2021-Ongoing
Maple Leaf Consulting 📍 Toronto, ON

- Executed precise frame repairs and alignments, ensuring vehicles met safety and quality standards.
- Prepared and fitted parts for painting while maintaining a clean and organized workspace.
- Conducted thorough inspections of damaged vehicles to assess repair needs and provide accurate estimates.
- Assisted in the recovery and transportation of damaged vehicles from accident sites.
- Collaborated with team members to enhance repair processes and improve overall efficiency.
- Utilized industry-standard tools to repair collision damage and mechanical issues effectively.
- Maintained compliance with safety regulations throughout all repair activities.

Collision Repair Technician 📅 Apr / 2020-Apr / 2021
Silver Lake Enterprises 📍 Seattle, WA

- Repaired damaged vehicle frames using MIG welding and advanced frame straightening techniques.
- Applied fiberglass and plastic fillers to restore vehicle surfaces for a flawless finish.
- Employed pneumatic tools for sanding and refinishing to achieve high-quality results.
- Ensured proper alignment of hoods, fenders, and doors during reassembly.
- Removed and inspected glass and interior components to ensure thorough repairs.
- Coordinated with the paint shop to ensure timely and accurate vehicle preparations.

🎓 EDUCATION

Associate of Applied Science in Automotive Technology 📅 Apr / 2019 - Apr / 2020
State Technical College 📍 Chicago, IL

Focused on automotive repair principles and techniques, including frame repair and collision damage assessment.
