PROFESSIONAL SUMMARY

With over 5 years of experience as a Combination Pipe Welder, I excel in executing complex welding tasks across diverse industrial applications. My proficiency in TIG, MIG, and Stick welding, combined with a strong commitment to safety and quality, enables me to deliver precise and reliable results. I am dedicated to enhancing team performance and driving project success through effective collaboration and skilled craftsmanship.

WORK EXPERIENCE

Combination Pipe Welder

📅 Apr / 2022–Ongoing

Seaside Innovations

📍 Santa Monica, CA

- Executed precision welding of carbon steel and stainless steel components to specifications.
- Interpreted blueprints and technical drawings to ensure accurate assembly and installation.
- Utilized cutting torches and saws to prepare materials for welding.
- Installed piping systems and supports, ensuring compliance with safety standards.
- Conducted maintenance and repairs on existing pipe systems to enhance functionality.
- Collaborated with team members to resolve challenges in project execution.
- Maintained a clean and safe work environment, adhering to all health and safety protocols.

Combination Pipe Welder

📅 Apr / 2020–Apr / 2022

Cactus Creek Solutions

📍 Phoenix, AZ

- Inspected welds for quality and adherence to specifications.
- Managed the transportation and setup of materials and equipment for projects.
- Assisted in securing materials during installations to ensure structural integrity.
- Performed routine maintenance and cleaning of welding tools and equipment.
- Supported fellow welders and mechanics in achieving project goals.
- Utilized respiratory protection and other safety gear as required.

EDUCATION

Associate of Applied Science in Welding Technology

📅 Apr / 2018 – Apr / 2020

Tech Institute of Welding

📍 Chicago, IL

Focused on advanced welding techniques, safety protocols, and metal fabrication.
