### PROFESSIONAL SUMMARY

Bringing 7 years of specialized experience as a Commissioning Manager, I have successfully led the commissioning of intricate systems in the energy sector. My expertise lies in developing comprehensive turnover packages, schedules, and testing procedures while ensuring compliance with stringent safety and operational protocols. I excel in fostering collaboration among cross-functional teams to drive project success and enhance operational efficiency.

### WORK EXPERIENCE

#### Commissioning Manager

📅 Jan / 2021-Ongoing

Maple Leaf Consulting

📍 Toronto, ON

1. Interpreted customer needs and assessed project requirements to ensure alignment with commissioning goals.
2. Directed daily operations of the commissioning team to achieve project milestones and objectives.
3. Managed project budgets to meet operational targets set by senior management.
4. Resolved complex issues using established processes and industry best practices.
5. Coordinated resources effectively to meet both short-term and long-term project objectives.
6. Set clear priorities for team members to ensure deadlines were consistently met.
7. Communicated challenging issues to stakeholders and secured necessary approvals.

#### Commissioning Manager

📅 Jan / 2018-Jan / 2021

Silver Lake Enterprises

📍 Seattle, WA

1. Led the commissioning team through all phases of project execution, ensuring adherence to timelines and budget constraints.
2. Supervised the development and approval of mechanical completion and commissioning documentation.
3. Participated in engineering meetings, providing valuable insights and recommendations.
4. Developed and monitored a comprehensive master punch list to track project progress.
5. Ensured compliance with all relevant regulations and industry codes throughout the commissioning process.

### EDUCATION

#### Bachelor of Science in Engineering

📅 Jan / 2015-Jan / 2018

University of Houston

📍 Portland, OR

Focused on engineering principles relevant to project management and system integration.
