🌟 ACHIEVEMENTS

🌟 Successfully completed multiple concrete projects ahead of schedule, enhancing overall team productivity.

🌟 Implemented safety protocols that reduced on-site accidents by 30% over two years.

👤 PROFESSIONAL SUMMARY

With 7 years of comprehensive experience in concrete labor, I specialize in mixing, pouring, and finishing concrete to the highest standards. My expertise in blueprint interpretation and form setting, along with a strong commitment to safety, ensures optimal project outcomes. I am dedicated to contributing my skills to enhance team effectiveness and drive successful project completions.

💼 WORK EXPERIENCE

Concrete laborer

📅 Apr / 2021-Ongoing

WidgetWorks Inc.

📍 Denver, CO

- Executed concrete mixing, pouring, and finishing tasks to meet project specifications.
- Interpreted blueprints and set forms accurately to ensure structural integrity.
- Maintained a clean and organized work environment, promoting safety and efficiency.
- Conducted site preparations, including grading and excavation, for concrete installations.
- Collaborated with team members to complete projects within deadlines and budget constraints.
- Applied sealants and finishing techniques to enhance durability and appearance of concrete surfaces.
- Managed concrete pouring operations, ensuring adherence to quality control standards.

Concrete Laborer

📅 Apr / 2018-Apr / 2021

Silver Lake Enterprises

📍 Seattle, WA

- Assisted in setting up forms for concrete pours, ensuring accurate dimensions and stability.
- Supported concrete finishing processes, smoothing and leveling surfaces as required.
- Performed general labor tasks, including cleanup and material handling, to support crew efficiency.
- Operated small machinery and tools for site preparation and concrete application.
- Monitored weather conditions to optimize pouring schedules and prevent delays.
- Engaged in ongoing safety training to maintain compliance with industry standards.

🎓 EDUCATION

Associate of Applied Science in Construction Technology

📅 Apr / 2015 - Apr / 2018

Southern Nevada College

📍 Santa Monica, CA

Gained foundational knowledge in construction principles, materials, and safety practices.
