WORK EXPERIENCE

Construction Laborer

📅 May / 2019-Ongoing

Quantum Solutions LLC

📍 Phoenix, AZ

1. Assemble and fasten materials to make framework or props, using hand tools and wood screws, nails, dowel pins, or glue.
2. Build or repair cabinets, doors, frameworks, floors, and other wooden fixtures used in buildings, using woodworking machines, carpenter's hand tools, and power tools.
3. Erect scaffolding and ladders for assembling structures above ground level.
4. Remove damaged or defective parts or sections of structures and repair or replace, using hand tools.
5. Install structures and fixtures, such as windows, frames, floorings, and trim, or hardware, using carpenter's hand and power tools.
6. Finish surfaces of woodwork or wallboard in houses and buildings, using paint, hand tools, and paneling.
7. Arrange for subcontractors to deal with special areas such as heating and electrical wiring work.

Roofer/Laborer

📅 May / 2015-May / 2019

Lakeside Apparel Co

📍 Chicago, IL

1. Apply plastic coatings and membranes, fiberglass, or felt over sloped roofs before applying shingles.
2. Cement or nail flashing-strips of metal or shingle over joints to make them watertight.
3. Cover exposed nailheads with roofing cement or caulking to prevent water leakage and rust.
4. Cover roofs and exterior walls of structures with slate, asphalt, aluminum, wood, gravel, gypsum, and/or related materials, using brushes, knives, punches, hammers and other tools.
5. Cut felt, shingles, and strips of flashing; and fit them into angles formed by walls, vents, and intersecting roof surfaces.
6. Maintain records, document actions and present written progress reports.

EDUCATION

Associate of Applied Science in Construction Technology

📅 May / 2012-May / 2015
