🌟 ACHIEVEMENTS

- 🌟 Successfully reduced vegetation-related outages by 30% through proactive management strategies.
- 🌟 Developed and implemented a vegetation management plan that increased compliance with local regulations by 40%.

👤 PROFESSIONAL SUMMARY

Innovative Senior Consulting Utility Forester with a decade of experience in utility vegetation management and environmental compliance. Expert in assessing tree health, managing vegetation near power lines, and implementing safety protocols while ensuring adherence to regulatory standards. Dedicated to fostering community relations and enhancing operational efficiency through strategic vegetation solutions.

💼 WORK EXPERIENCE

Senior Consulting Utility Forester 📅 Mar / 2019-Ongoing
WidgetWorks Inc. 📍 Denver, CO

- Conducted thorough inspections and evaluations of trees and brush along distribution and transmission lines to ensure compliance with safety standards.
- Provided detailed reports and recommendations based on inspection findings to clients.
- Coordinated activities of tree clearance crews to ensure timely and effective vegetation management.
- Facilitated discussions with clients regarding crew access issues and operational needs.
- Collected and analyzed data accurately to inform vegetation management strategies.
- Acted as a key liaison between clients, tree crews, and customers, ensuring clear communication and understanding.
- Managed diverse interpersonal relationships, addressing sensitive issues with professionalism and care.

Consulting Utility Forester 📅 Mar / 2015-Mar / 2019
Lakeside Apparel Co 📍 Chicago, IL

- Served as a Consulting Utility Forester for Bluebonnet Electric Coop, creating and auditing work orders for tree contractors.
- Maintained direct contact with customers to inform them of upcoming work and ensure understanding of regulations.
- Collaborated with Pacific Gas & Electric's Vegetation Management Department to mitigate vegetation-related risks.
- Performed field surveys of electric utility lines to assess potential vegetative growth hazards.
- Communicated critical vegetation management needs to tree trimming crews to ensure safety.
- Educated property owners about vegetation hazards and the importance of proactive tree trimming.

🎓 EDUCATION

Bachelor of Science in Forestry 📅 Mar / 2012-Mar / 2015
University of Washington 📍 Toronto, ON
Focused on forest management, ecology, and environmental sustainability.
