ACHIEVEMENTS

- ★ Successfully identified and neutralized multiple threats to national security, leading to enhanced safety protocols.
- ★ Developed and implemented training programs for personnel on counterintelligence techniques, improving operational readiness.

PROFESSIONAL SUMMARY

With a decade of experience in counterintelligence, I excel in threat analysis, intelligence collection, and operational support. My expertise includes conducting complex investigations and collaborating with law enforcement to protect national security. I am dedicated to leveraging my analytical skills to enhance mission success and ensure the integrity of sensitive operations.

WORK EXPERIENCE

- Counter Intelligence Agent** 📅 Apr / 2019-Ongoing
WidgetWorks Inc. 📍 Denver, CO
1. Analyzed and reported on potential threats to national security, ensuring timely intelligence dissemination.
 2. Conducted comprehensive investigations into suspicious activities, collaborating with law enforcement for actionable outcomes.
 3. Developed threat assessment reports to inform strategic decision-making and policy development.
 4. Trained junior analysts in counterintelligence methodologies, fostering a culture of continuous learning.
 5. Managed the maintenance of classified information systems and databases to protect sensitive data.
 6. Coordinated with military and civilian entities to enhance operational effectiveness across various missions.
 7. Participated in joint task force operations, providing counterintelligence support in high-stakes environments.

- Counter Intelligence Agent** 📅 Apr / 2015-Apr / 2019
Silver Lake Enterprises 📍 Seattle, WA
1. Conducted counter surveillance operations to identify and mitigate threats against personnel and assets.
 2. Provided intelligence analysis support during critical missions, ensuring the safety of operational units.
 3. Engaged in direct interactions with informants to gather actionable intelligence and enhance situational awareness.
 4. Implemented security measures to protect sensitive information and infrastructure from unauthorized access.
 5. Assisted in the development of counterintelligence strategies to address emerging threats in domestic and international contexts.
 6. Utilized advanced analytical tools to interpret data and generate insights relevant to national security.

EDUCATION

- Bachelor of Science in Criminal Justice** 📅 Apr / 2012-Apr / 2015
University of Maryland 📍 Phoenix, AZ
- Focused on criminology, security studies, and intelligence operations.
