## Objective

High energy, globally-oriented technology leader. With 20 years of engineering leadership in cutting-edge companies, I have vision that can zoom from big-picture strategy down to the smallest block of data. I believe in and drive agility and I like getting my hands dirty. Budget focused and obsessed with providing and managing elegant solutions to complex engineering and service problems, I build intensely loyal organizations that consistently delight our customers.

## Skills

Node.js/Express, CoffeeScript/JavaScript, HTML5/Jade, CSS3/Stylus, Python, .NET, C#, ASP.NET MVC, Windows Azure, Microsoft SQL Server, Entity Framework, MongoDB, Cassandra, Redis, MySql, jQuery, Angular.js, Knockout.js, SOLID, TDD, Jira, Git, AWS, Heroku.
