### PROFESSIONAL SUMMARY

Accomplished Curriculum Developer with 10 years of expertise in designing comprehensive educational programs and assessments. Proficient in the ADDIE model, I excel at collaborating with diverse teams to deliver innovative learning solutions that meet varied learner needs and adhere to educational standards. My commitment to continuous improvement drives the creation of engaging and effective curricula.

### WORK EXPERIENCE

#### Curriculum Developer

Pineapple Enterprises

📅 Feb / 2019-Ongoing

📍 Santa Monica, CA

1. Created and implemented a curriculum development framework using a prioritization queue matrix to streamline project workflows.
2. Developed and delivered nationally recognized training programs, collaborating with subject matter experts and third-party vendors.
3. Revised extensive program materials for the National School Shield program, ensuring compliance and relevance.
4. Formulated innovative methodologies for training counselor instruction courses, enhancing educational delivery.
5. Designed customer needs surveys and analyzed buyer personas, improving membership engagement.
6. Identified standardized training protocols for field operations personnel, significantly enhancing compliance and effectiveness.
7. Developed a cohesive instructional framework to improve user experience across program offerings.

#### Curriculum Developer & Writer

Crescent Moon Design

📅 Feb / 2015-Feb / 2019

📍 Portland, OR

1. Designed and developed engaging instructional materials, creating effective learning experiences through interactive course content.
2. Authored and edited complex e-learning programs, integrating measurable learning objectives and diverse instructional strategies.
3. Developed nontraditional and multimedia learning solutions, enhancing accessibility and learner engagement.
4. Utilized a variety of design techniques to optimize instructional content and strategies for diverse learning environments.
5. Produced differentiated online training curricula tailored for educators and administrators, meeting varied instructional needs.
6. Customized lessons to connect lesson topics with character-driven blended learning courses, fostering deeper engagement.
