## EXPERIENCE

### Daycare worker Lead

#### ABC Corporation - 1986 - 1997

- Supervised and monitored the safety of children and their care.
- Prepared meals and organized mealtimes and snacks for children.
- Changed the diapers of infants and toddlers.
- Organized activities so that children learned about the world and explore interests.
- Developed schedules and routines to ensure that children had enough physical activity, rest, and playtime.
- Watched for signs of emotional or developmental problems in children and brought the problems to the attention of parents.
- Kept records of childrens progress, routines, and interests.

### Daycare Worker

#### ABC Corporation - 1981 - 1986

- In caring for the infants and toddlers, my responsibility was to provide for their basic needs as well as their emotional and mental needs.
- Aside from diapers, meals, and assuring adequate nap time, I also played with, loved on, and stimulated their brains to create a helpful and loving environment for their growth.
- My responsibilities with the school kids were to help them with their homework and to create activities and crafts for them.
- As a day care worker I was able to impact each of the childrens lives by loving on them and protecting them when they couldnt be with their parents.
- Taught them the definitions to new words they heard and impressed the importance of working together, being compassionate with each other, and having integrity.
- Skills Used I was able to put my natural talent for taking care of other people to use.
- Took everything I know about kids and used it to benefit them and to teach them how to be outstanding people..
