ACHIEVEMENTS

★ Reduced deduction resolution time by 30% through process optimization.

★ Increased cash recovery by 20% by identifying key deduction trends.

PROFESSIONAL SUMMARY

Bringing a decade of expertise as a Deduction Analyst, I specialize in uncovering discrepancies and optimizing cash recovery strategies. My strong analytical skills and collaborative approach have driven significant improvements in financial accuracy and operational efficiency. I am passionate about leveraging data insights to enhance processes and foster productive cross-functional partnerships.

WORK EXPERIENCE

Deduction Analyst

📅 May / 2018-Ongoing

Seaside Innovations

📍 Santa Monica, CA

1. Analyzed and resolved pricing discrepancies by comparing customer deductions with billing data and trade management systems.
2. Obtained and verified documentation to support deduction claims, ensuring compliance with company policies.
3. Identified and tracked trends in deductions related to shortages, damages, and pricing errors.
4. Managed deduction balances, ensuring timely receipt of necessary documentation and information.
5. Conducted research on credit balances to facilitate accurate reporting.
6. Provided insights on deduction trends to enhance recovery strategies.
7. Collaborated with cross-functional teams to address and resolve complex deduction issues.

Deduction Analyst

📅 May / 2015-May / 2018

Cactus Creek Solutions

📍 Phoenix, AZ

1. Handled deduction resolutions, responding to customer inquiries and conducting thorough research.
2. Supported financial order management to mitigate credit exposure and ensure timely payments.
3. Managed all aspects of deduction resolution, including trade promotion payments and chargeback identification.
4. Worked collaboratively with sales, customer service, and finance teams to minimize discrepancies.
5. Improved collection rates for invalid deductions through targeted analysis of customer trends.
6. Partnered with finance teams to manage customer trade spending effectively.

EDUCATION

Bachelor of Science in Accounting

📅 May / 2012-May / 2015

State University

📍 Toronto, ON

Focused on financial analysis, accounting principles, and data management.
