PROFESSIONAL SUMMARY

With a decade of dedicated experience as a Dental Hygienist, I excel in delivering exceptional patient care and promoting oral health education. My expertise encompasses advanced dental procedures, patient management, and fostering a calming atmosphere for effective treatments. I am passionate about enhancing patient experiences and contributing to the success of a collaborative dental practice.

WORK EXPERIENCE

Dental Hygienist Mar / 2018-Ongoing
Maple Leaf Consulting Toronto, ON

1. Conduct comprehensive patient assessments, including medical history evaluations and dental charting.
2. Provide tailored education on oral hygiene practices to enhance patient understanding and compliance.
3. Collaborate with the dental team to develop individualized treatment plans that address patient needs.
4. Perform advanced dental procedures, including scaling and root planing, to maintain optimal oral health.
5. Foster a welcoming environment to alleviate patient anxiety and improve overall experience.
6. Assist in the management of office operations, including scheduling and patient records.
7. Educate patients on post-treatment care and preventive strategies for sustained oral health.

Dental Hygienist Mar / 2015-Mar / 2018
Crescent Moon Design Portland, OR

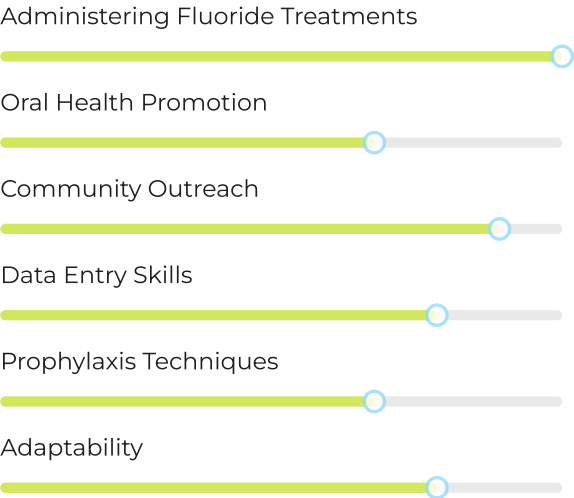

1. Execute routine digital x-rays to assist in diagnostic procedures and treatment planning.
2. Perform periodontal therapy, including scaling and root planing, for effective gum disease management.
3. Utilize Dentisoft for accurate treatment plan documentation and patient record updates.
4. Administer comprehensive prophylaxis treatments, ensuring thorough dental care for patients of all ages.
5. Update and maintain patient medical histories to reflect current health status.
6. Provide clear oral hygiene instructions to empower patients in their dental care practices.

EDUCATION

Associate of Applied Science in Dental Hygiene Mar / 2012 - Mar / 2015
Sunrise Community College Phoenix, AZ

Completed coursework and hands-on training in dental hygiene, patient care, and oral health education.
