PROFESSIONAL SUMMARY

Skilled Dental Technician with two years of experience in fabricating and repairing dental prosthetics. Adept at employing advanced techniques and technologies to ensure high-quality outcomes. Passionate about enhancing patient care and operational workflows within dental settings, I am eager to contribute my expertise to a collaborative team.

WORK EXPERIENCE

Dental Technician
Pineapple Enterprises
May / 2024-Ongoing
Santa Monica, CA

- Read prescriptions and examine models to determine designs for dental products.
- Fabricate, alter, and repair dental devices, ensuring compliance with specifications.
- Test appliances for accuracy and functionality using articulators and micrometers.
- Create patient mouth models by pouring plaster into impressions.
- Apply porcelain paste or wax to prosthetic frameworks.
- Fill imperfections in devices using acrylic resins for optimal quality.
- Fabricate dental prosthetics, including crowns, bridges, and dentures, using precision techniques.

Dental Technician
Lakeside Apparel Co
May / 2023-May / 2024
Chicago, IL

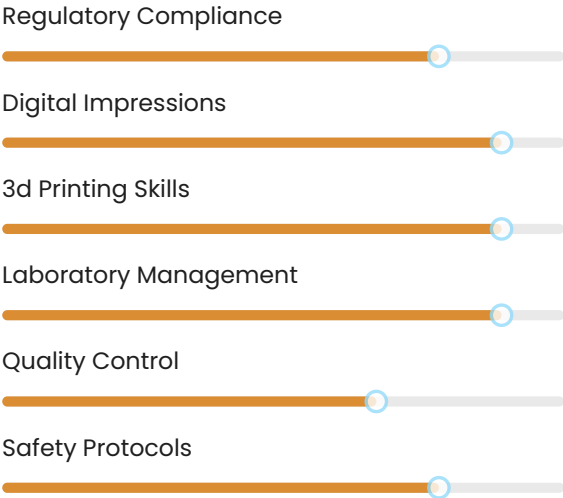

- Collaborated with dentists and patients to design and fabricate custom dental appliances.
- Coordinated dental cases independently, ensuring high-quality outcomes that met patient needs.
- Engaged in continuous learning to enhance skills and knowledge within the dental field.
- Provided compassionate support to patients during procedures, addressing their concerns effectively.
- Contributed to team dynamics by fostering a collaborative and supportive work environment.
- Utilized customer service skills to ensure patient satisfaction and trust in the dental process.

EDUCATION

Associate of Applied Science in Dental Technology
Central Community College
May / 2022 - May / 2023
Phoenix, AZ

Focused on the principles of dental technology, including prosthetics and orthodontics.
