🏆 ACHIEVEMENTS

🌟 Improved application performance by 30% through code optimization.

🌟 Developed a user-friendly interface that increased user engagement by 25%.

👤 PROFESSIONAL SUMMARY

Detail-oriented Developer Intern with 2 years of experience in software development, focusing on coding, testing, and debugging. Proficient in various programming languages and frameworks, eager to contribute to innovative projects.

💻 WORK EXPERIENCE

Developer Intern

Pineapple Enterprises

📅 Dec / 2023-Ongoing

📍 Santa Monica, CA

1. Designed and implemented reporting interfaces for Polaris Products using MVC architecture and SQL stored procedures.
2. Managed client support tickets, performing data updates in SQL Server Management Studio (SSMS) to resolve issues.
3. Contributed to the support release for TEVA Pharmaceuticals' Grant Management System, ensuring timely delivery.
4. Developed a responsive demo website for DMOS, enhancing user experience across devices.
5. Collaborated on a messaging framework for communication between workflow managers and enterprise applications using XML and MQ-Series.
6. Utilized JDBC 3.0 for efficient database communication, ensuring accurate data storage and retrieval.
7. Executed comprehensive unit tests, reducing development rework by 25% and improving code quality.

Developer Intern

Crescent Moon Design

📅 Dec / 2022-Dec / 2023

📍 Portland, OR

1. Participated in code reviews, providing constructive feedback to enhance team performance.
2. Assisted in the development of RESTful APIs, facilitating seamless integration with front-end applications.
3. Engaged in agile development practices, contributing to sprint planning and retrospectives.
4. Documented technical specifications and user guides for software applications.
5. Collaborated with cross-functional teams to gather requirements and deliver effective solutions.

🎓 EDUCATION

Bachelor of Science in Computer Science

University of California

📅 Dec / 2021-Dec / 2022

📍 Phoenix, AZ

Focused on software development, algorithms, and database management.
