

AMELIA MOORE

Automotive Technician (Diesel Focus)

✉ support@qwikresume.com ☎ (123) 456 7899 📍 Los Angeles 🌐 www.qwikresume.com

PROFESSIONAL SUMMARY

Driven Automotive Technician with 2 years of focused experience in diesel engine repair and maintenance. Proficient in diagnosing issues, executing preventative measures, and ensuring optimal vehicle performance. Eager to apply technical skills and problem-solving abilities to a dedicated team, committed to delivering reliable and efficient service.

WORK EXPERIENCE

Automotive Technician (Diesel Focus)

📅 Apr / 2024-Ongoing

Blue Sky Innovations

📍 Chicago, IL

- Conducted thorough repairs on diesel engines, ensuring compliance with safety and performance standards.
- Performed routine inspections and diagnostics on vacuum trucks and hot oil units to identify mechanical failures.
- Executed preventative maintenance tasks, including oil changes and tire replacements, to enhance vehicle longevity.
- Utilized Cummins Insite and CAT ET software for troubleshooting and clearing diagnostic trouble codes.
- Completed engine performance tests and managed diesel particulate filter regenerations for optimal operation.
- Managed work orders and field service calls efficiently, adhering to safety protocols.
- Installed and replaced various components, contributing to overall vehicle functionality.

Diesel Mechanic Helper

📅 Apr / 2023-Apr / 2024

Cactus Creek Solutions

📍 Phoenix, AZ

- Inspected and maintained 18-wheeler trailers for structural integrity, ensuring compliance with safety regulations.
- Performed brake adjustments and replacements, enhancing vehicle safety and performance.
- Executed oil changes and fan replacements on school buses, ensuring operational readiness.
- Conducted preventive maintenance, including brake inspections and oil changes, maintaining a clean work environment.
- Assisted lead mechanics in overhauling diesel motors for trucks and heavy equipment.
- Troubleshooted hydraulic and electrical systems, resolving issues to minimize downtime.

EDUCATION

Associate of Applied Science in Diesel Technology

📅 Apr / 2022-Apr / 2023

Technical College of the Lowcountry

📍 Denver, CO

Focused on diesel engine repair, diagnostics, and maintenance, with hands-on experience in various diesel systems.

SKILLS

Safety Procedures

Troubleshooting Skills

Welding Skills

Parts Replacement

ACHIEVEMENTS

- 🌟 Successfully diagnosed and repaired over 50 diesel engines, improving vehicle reliability by 30%.
- 🌟 Implemented a preventative maintenance schedule that reduced engine downtime by 25%.
- 🌟 Trained new technicians on diesel engine diagnostics and repair protocols, enhancing team productivity.
