Alabama.

### Objective

I have worked in different fields as a cook, cashier, cafeteria tech, and my last job was as a caregiver, DSW worker. I like working with the elderly so they do not have to go in a nursing home. I took care of a lady that was in a wheel chair. I cleaned the house, gave her a bath, washed clothes, did her shopping, and cooked for her.

### Skills

mic.

### Work Experience

#### Jr. Direct Service Worker

**ABC Corporation** - January 2006 - August 2008

- Assisted clients in their home and in a residential care facility, with household chores, personal finances, meal preparation, self-care, and social skills.
- Recorded all documentation properly, and in the specified time frame.
- Assisted clients with personal and/or grocery shopping.
- Accompanied clients to a medical appointment and recreational activities.
- Attended staff training, meetings, events, and professional development seminars.
- Ensured that all medications, both prescription and non-prescription were administered.
- Performed other duties as assigned by management.

#### DIRECT SERVICE WORKER

**ABC Corporation** - 2003 - 2006

- Direct Service Worker, I was trained to care for individuals with mental and physical challenges.
- Would assist with their grooming and toileting if needed some I had to transfer from their bed to chair by lift or by board.
- Helped them with everyday life such as assisted with their bill pay, make doctors appointments and either drive them to their appointments or make arrangements for transportation to and from.
- Would run errands and buy their groceries for them.
- Assisted them with their medications.
- And I would do light housekeeping such as cleaning their kitchens, bathrooms, bedrooms, sweep and mop their homes and I would assist them with their laundry.
- So clients that were bedridden I would turn them regularly and even was trained to clean catheters and wound care.

### Education

Certified Nursing Assistant Training - January 2015 (TULANE UNIVERSITY - Marrero, LA)
