PROFESSIONAL SUMMARY

Detail-oriented Draftsman with two years of experience in crafting accurate technical drawings for diverse projects. Proficient in AutoCAD and other design software, I effectively collaborate with project teams to ensure precision and adherence to specifications. I am passionate about enhancing design processes and delivering innovative solutions that meet client needs.

WORK EXPERIENCE

Draftsman 📅 Apr / 2024-Ongoing
Quantum Solutions LLC 📍 Phoenix, AZ

1. Executed structural detailing and alterations, ensuring compliance with drafting standards and project timelines.
2. Maintained project files and coordinated updates with Project Engineers to reflect design changes.
3. Collaborated with QA/QC teams to ensure drawings were current and revisions documented in project data.
4. Utilized AutoCAD, Tekla, and Autodesk Inventor to produce detailed manufacturing and installation drawings.
5. Gathered feedback from construction teams to enhance drawing accuracy and communication across departments.
6. Conducted field surveys and inspections to validate drawing accuracy and make necessary revisions.
7. Reviewed and adjusted bill of materials to align with project specifications and material grade requirements.

DRAFTSMAN 📅 Apr / 2023-Apr / 2024
Cactus Creek Solutions 📍 Phoenix, AZ

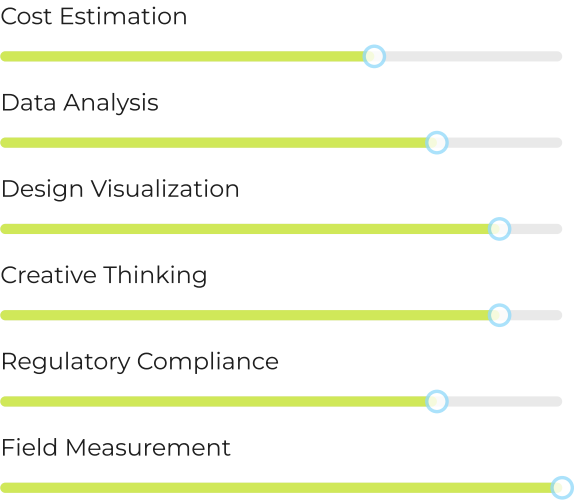

1. Designed Mud Tank Systems and De-Watering Units, creating comprehensive P&ID diagrams.
2. Re-engineered existing systems, producing parts and assembly drawings with detailed BOM for manufacturing.
3. Developed General Arrangement and Assembly drawings for the SPE RIGCO Mud Tank System, detailing process flow.
4. Reengineered a Dewatering Tank System by measuring existing units and creating accurate GA and P&ID drawings.
5. Collaborated with Project Engineers to create detailed drawings for an Elevated Shaker Unit based on initial sketches.
6. Supported manufacturing teams in building the Elevated Shaker Unit, ensuring design fidelity.

EDUCATION

Associate of Applied Science in Drafting 📅 Apr / 2022-Apr / 2023
Tech Institute of Design 📍 Portland, OR

Focused on technical drawing principles and design software applications.
