## Construction Draftsman

support@qwikresume.com (123) 456 7899 Los Angeles www.qwikresume.com

### PROFESSIONAL SUMMARY

Results-oriented Construction Draftsman with 5 years of experience in producing detailed technical drawings for a variety of projects, including commercial and residential developments. Proficient in AutoCAD and Revit, I excel at collaborating with architects and engineers to ensure accuracy and compliance with specifications. Committed to delivering innovative design solutions that enhance project outcomes.

### WORK EXPERIENCE

#### Construction Draftsman

Seaside Innovations

Apr / 2022-Ongoing

Santa Monica, CA

- 1. Drafted comprehensive construction documents, including bid sets and as-built drawings for diverse projects such as retail stores and banks.
- 2. Collaborated with Structural and MEP engineers to address design modifications and ensure seamless integration of architectural plans.
- 3. Conducted site surveys and measurements to inform design accuracy and feasibility.
- 4. Selected materials and specified building components to meet project requirements and sustainability standards.
- 5. Created and submitted detailed permit packages, coordinating responses from local jurisdictions.
- 6. Assisted in conceptual design development, producing sketches and renderings for client presentations.
- 7. Streamlined production drafting by developing a comprehensive library of standard components and details.

#### Draftsman

Silver Lake Enterprises

Apr / 2020-Apr / 2022

Seattle, WA

- 1. Worked as a Draftsman post-college, focusing on yacht design for various clients.
- 2. Collaborated with sales teams to understand customer requirements and translate them into detailed plans.
- 3. Utilized CAD software to create precise design drawings for yachts ranging from 50ft to 58ft.
- 4. Engaged in fieldwork to gather client specifications and ensure designs met their expectations.
- 5. Participated in team projects, assisting engineers with related drafting tasks.
- 6. Gained hands-on experience in GIS applications while working at the university.

### EDUCATION

#### Associate of Applied Science in Drafting Technology

Green River College

Apr / 2018-Apr / 2020

Toronto, ON

Focused on architectural drafting and design principles, including coursework in CAD and construction documentation.

### SKILLS

### ACHIEVEMENTS

- ★ Successfully completed over 50 projects on time and within budget, enhancing client satisfaction.
- ★ Improved drafting efficiency by 30% by implementing standardized processes and templates.
- ★ Contributed to LEED certification for multiple projects through sustainable design practices.
