## 🌟 ACHIEVEMENTS

🌟 Increased drilling efficiency by 15% through optimized rig operations and crew training.

🌟 Successfully led a team on a high-profile drilling project, completing it 20% ahead of schedule.

## 👤 PROFESSIONAL SUMMARY

Accomplished Lead Drill Rig Operator with 10 years of extensive experience in drilling operations and crew management. Expert in operating a variety of drill rigs while upholding stringent safety standards. Proven ability to optimize drilling efficiency, mentor team members, and ensure equipment reliability. Committed to achieving operational excellence and fostering a safe work environment.

## 💼 WORK EXPERIENCE

### Lead Drill Rig Operator

📅 May / 2018-Ongoing

Blue Sky Innovations

📍 Chicago, IL

1. Served as the lead operator on various drilling projects, overseeing subsurface investigations across multiple states.
2. Expertly operated diverse drilling equipment, including augers and rotary rigs, ensuring compliance with safety and operational standards.
3. Assisted in the strategic planning of drilling locations, assessing access routes and water sources.
4. Trained and mentored junior operators, enhancing team skills and operational effectiveness.
5. Managed equipment logistics and maintenance, ensuring all rigs operated at optimal performance.
6. Maintained compliance with environmental regulations during drilling operations.
7. Actively participated in safety meetings and contributed to the development of safety protocols.

### Drill Rig Operator

📅 May / 2015-May / 2018

Lakeside Apparel Co

📍 Chicago, IL

1. Initiated career in the drilling industry as a Helper, gaining foundational knowledge in auger rig operations.
2. Progressed to operating Air and Mud Rotary Rigs for complex water well projects.
3. Promoted to lead driller, executing rock coring projects for the Army Corps of Engineers.
4. Successfully completed extensive drilling assignments for environmental monitoring and levee systems.
5. Contributed to safety improvements, advocating for better maintenance practices and operational safety.
6. Managed drilling operations for various projects, ensuring adherence to timelines and safety standards.

## 🎓 EDUCATION

### Associate of Applied Science in Drilling Technology

📅 May / 2012    May / 2015

Technical Institute of Drilling

📍 Phoenix, AZ

Focused on practical applications of drilling technology, safety protocols, and equipment maintenance.
