German

🏆 ACHIEVEMENTS

★ Successfully reduced drilling downtime by 15% through efficient rig maintenance.

★ Implemented safety training programs that improved compliance rates by 25%.

👤 PROFESSIONAL SUMMARY

With a decade of experience in drilling operations, I excel in optimizing rig performance and ensuring adherence to safety protocols. My proficiency includes equipment management, well-site coordination, and effective team collaboration. I am dedicated to driving operational excellence while maintaining a strong focus on safety and project success.

💼 WORK EXPERIENCE

Drilling Assistant

📅 Apr / 2018-Ongoing

Blue Sky Innovations

📍 Chicago, IL

1. Entered gas analysis into industry-specific software for accurate reporting.
2. Prepared monthly well volumes and allocations reports in Flo-Cal.
3. Produced detailed monthly reports on meter performance to support decision-making.
4. Executed maintenance on drill stims, ensuring operational readiness.
5. Operated drill rigs for geotechnical borings, achieving depths exceeding 100 feet.
6. Collaborated with clients to finalize registration agreements, enhancing customer relations.
7. Conducted site assessments to ensure compliance with safety regulations.

Drilling Assistant

📅 Apr / 2015-Apr / 2018

Crescent Moon Design

📍 Portland, OR

1. Entered gas analysis into industry-specific software for precise data tracking.
2. Prepared monthly well volumes and allocations reports in Flo-Cal.
3. Produced comprehensive monthly reports on meter metrics.
4. Conducted explosive drilling and detonation under strict safety protocols.
5. Engaged in underground gas and oil exploration activities.
6. Performed maintenance on stacked drill stims to optimize performance.

🎓 EDUCATION

Associate of Applied Science in Petroleum Technology

📅 Apr / 2012 - Apr / 2015

Texas State Technical College

📍 Phoenix, AZ

Focused on drilling techniques, safety protocols, and equipment management.
