CORE COMPETENCIES

Drilling Consultant.

PROFESSIONAL EXPERIENCE

Lead Drilling Consultant

ABC Corporation - 2017 – 2019

Key Deliverables:

- Wells are directionally complex and high angle with a combination of air and underbalanced drilling techniques used to reach TD.
- Oversee location development, organization, and placement of vendors and drilling rig on the pad.
- Make daily reports and maintain strict budgetary discipline.
- Maintain a current Supervisory Well Control Certificate and handle all good control incidents.
- Continually lowered AFE budgets and days spent on each well. Instrumental in rigging up new drilling rigs that nobody in this valley had worked with before.
- Able to figure out how to minimize well pad size in order to save money and environmental impacts as well as to adapt to difficult terrain.
- Monitored drilling parameters to ensure the hole was stable, clean, and being drilled as efficiently as possible.

Drilling Consultant

ABC Corporation - 2014 – 2017

Key Deliverables:

- Drilling supervisor for McMoran Oil and Gas.
- Gulf of Mexico, Texas and Louisiana waters.
- Jack-Up rigs.
- Depths of 10,000- 18,000.
- Over platforms and open water locations Mississippi.
- Power rig.
- Depths to 26,500.
