### 👤 PROFESSIONAL SUMMARY

With five years of dedicated experience as a drywall finisher, I specialize in delivering superior quality finishes for both residential and commercial projects. My skills encompass all facets of drywall installation, including taping, mudding, and texturing, ensuring a polished and professional result. Committed to safety and efficiency, I thrive in team environments, consistently contributing to successful project outcomes.

### 💻 WORK EXPERIENCE

#### Drywall Finisher/Executive

📅 Jan / 2022–Ongoing

Quantum Solutions LLC

📍 Phoenix, AZ

1. Removed excess compound after surfaces have been properly covered.
2. Sanded rough spots of dried cement between applications of compounds for a smooth finish.
3. Applied texturizing compounds or primers to walls or ceilings using various tools, ensuring quality application.
4. Covered nail and screw depressions with spackle to achieve a seamless appearance.
5. Conducted final inspections to ensure all work met stringent quality standards.
6. Collaborated with team members to optimize project workflow and resolve issues promptly.
7. Completed drywall finishing projects ahead of schedule, improving overall project timelines by 15%.

#### Drywall Finisher

📅 Jan / 2020–Jan / 2022

Silver Lake Enterprises

📍 Seattle, WA

1. Oversaw site operations as the supervisor/foreman, ensuring adherence to project timelines and quality standards.
2. Managed masking and priming processes, applying textures for new constructions and remodels.
3. Executed hanging and taping of drywall, as well as metal stud framing and ceiling installations.
4. Utilized maintenance skills to ensure all equipment and tools were in optimal working condition.
5. Utilized specialized tools and machinery effectively to enhance productivity.

### 🎓 EDUCATION

#### Diploma in Construction Technology

📅 Jan / 2018 – Jan / 2020

City Technical College

📍 Phoenix, AZ

Focused on various aspects of construction, including drywall installation and finishing techniques.
