ACHIEVEMENTS

★ Achieved a 20% reduction in project completion time through efficient drywall finishing techniques.

★ Consistently received positive feedback from clients for high-quality craftsmanship on over 50 completed projects.

PROFESSIONAL SUMMARY

As a seasoned drywall finisher with 7 years of extensive experience, I excel in delivering high-quality finishes for both residential and commercial projects. My expertise includes taping, mudding, and texturing, ensuring seamless surfaces that meet client specifications. I am dedicated to creating a safe and efficient work environment while collaborating effectively with construction teams to drive project success.

WORK EXPERIENCE

Lead Drywall Finisher

📅 Jan / 2021-Ongoing

Blue Sky Innovations

📍 Chicago, IL

1. Applied cementitious materials over tape, utilizing trowels and floating machines to achieve smooth, blended joints.
2. Sealed joints between plasterboard and other wallboards, preparing surfaces for painting and finishing.
3. Executed precise taping and mudding techniques to ensure flawless drywall finishes.
4. Collaborated closely with team members to ensure timely project completion.
5. Conducted quality inspections to verify the integrity of finished drywall surfaces.
6. Utilized advanced techniques to reduce finishing time by 20%, enhancing productivity on multiple job sites.
7. Trained and mentored junior finishers, resulting in a 30% increase in team efficiency and skill development.

Drywall Finisher

📅 Jan / 2018-Jan / 2021

Silver Lake Enterprises

📍 Seattle, WA

1. Performed sanding and painting duties to finalize drywall projects.
2. Assisted in general labor tasks, showcasing versatility and adaptability.
3. Engaged in continuous learning to enhance skills in drywall and construction practices.
4. Participated in various construction projects beyond drywall, including roofing and insulation.
5. Gained hands-on experience from working alongside skilled tradespeople throughout my career.
6. Contributed to the overall construction process by supporting framing and foundation repair tasks.

EDUCATION

Diploma in Construction Technology

📅 Jan / 2015-Jan / 2018

Technical College of Construction

📍 Santa Monica, CA

Focused on various construction methods and safety practices.
